ADMINISTRATIVE DIRECTORY

OF THE

GOVERNMENT OF PAKISTAN

PREFACE.

The purpose of this Directory is to make available in a convenient form, information regarding the administrative scope, organisation and personnel of the Government of Pakistan. The information is confined to the Ministries and Departments directly attached to them and does not cover the numerous offices subordinate to them (except certain offices located at Karachi and covered in Part V) as that would have made the Directory too voluminous. In PART I is given the list of Officers. In PART II is given (A) lists of the various subjects dealt with by the Ministries and Attached Departments and (B) details of distribution of work amongst the branches and officers of the Ministries only. For convenience of reference the Ministries have been arranged in alphabetical order. The headquarters of all the Ministries are at Karachi except the Ministry of Defence and the Military Finance Division of the Ministry of Finance which are partially located at Rawalpindi, and the Ministry of Refugees which is partially located at Lahore. The Receipt and Issue/Central Registry/Cash/General Branches, which exist in each Ministry have not been shown.

2. Some information regarding the Provincial Governments has been included as Part III.

3. Part IV relates to the Diplomatic Corps and gives lists both of our representatives abroad and of representatives of other countries in Pakistan.

Cabinet Secretariat,
KARACHI,
The 1st January, 1949.
